All sums received as initiation fees, donations, bequests, etc., and all sums paid by life members, shall be invested under the direction of the Committee of Finance as a Permanent Fund, to be loaned out at interest, or invested in stocks, or public funds. And if at any time the interest arising from the Permanent Fund, together with the amount received from the annual dues, be more than the exigencies of the poor and the current expenses of the Society require, the surplus shall be carried to the Permanent Fund. In like manner, if the Stewards shall at any time receive more money than is required for the expenses of the anniversary festival, the surplus shall be paid over to the Treasurer, and be carried to the Permanent Fund.

SECTION 2. No money shall be transferred from the Permanent Fund except by a resolution of the Society at a stated meeting, at which there shall be present at least one hundred members, three-fourths of whom shall vote in favor of such resolution.

SECTION 3. All such sums as arise from the annual dues of members, and from the interest or income of the Per-

manent Fund, shall constitute a fund, to be called the Charity and Expense Fund, from which all the debts of the Society shall be paid and the charities disbursed. But if the said fund shall exceed the amount of expenses and of charities distributed, the surplus shall be annually carried to the Permanent Fund, according to the provisions of Section 1 of this Article of the Constitution.

ARTICLE VI.

OF THE PERSONS TO WHOM CHARITABLE DONATIONS MAY
BE MADE.

SECTION 1. The widow and children of a deceased member shall (if so determined by the Board of Managers) be entitled for five successive years to an annuity from the funds of the Society, to the full amount of the moneys which the deceased member shall have actually paid into the Treasury, payable in such manner, and to such persons, as the said Board of Managers shall direct; provided, however, that said annuity shall in no case be paid to a widow of a member after she shall have married again, nor to children after they shall have attained the age of fourteen years.

SECTION 2. None shall be objects of the Society's bounty (except as provided in the preceding section) but such members thereof as shall become indigent, and children of a member of this Society.

ARTICLE VII.

MEETINGS.

SECTION 1. The Society shall hold four stated quarterly meetings in each year, on such days as shall be determined by the By-Laws.

SECTION 2. Special meetings may be called as provided in Section 4, Article III., of this Constitution. Special meet-

ings shall be competent for the transaction of any business which may come before them, except questions touching a transfer of the Permanent Fund of the Society, and except also such other business as by this Constitution, or the By-Laws, may be confined to stated meetings.

SECTION 3. As the benevolent and charitable objects of this Society will be greatly promoted by a social intercourse among its members, the Society shall celebrate its anniversary by a dinner, on the 6th day of December in each year, unless that day fall on Sunday, in which case the anniversary shall be held on the following day, and the Society may at any stated meeting provide for other festivities.

SECTION 4. All the meetings of the Society shall be held at such hour and place as the President, or person acting as President for the time being, shall appoint.

SECTION 5. A quorum for the dispatch of business, except in cases where a larger number may be required for any special act, by any article of the Constitution, shall consist of such number of members as shall be prescribed by the By-Laws; but any number of members present at the time appointed for a stated meeting, may from time to time adjourn such stated meeting.

ARTICLE VIII.

ON THE MODE OF ALTERING THE CONSTITUTION OF THE SOCIETY.

SECTION 1. No alteration, repeal or amendment of any part of this Constitution shall take place unless the proposition for such alteration, repeal or amendment shall have been made at a previous stated meeting; and such proposition shall not take effect unless there are present at least forty members, three-fourths of whom shall vote in the

affirmative, and the votes on such question shall be recorded by the Secretary, if required by five members present.

SECTION 2. The By-Laws of this Society may be altered, repealed or amended, either at a stated meeting or at a special meeting, when called for the object of making such alteration, such object being expressed in the notice of said special meeting. The proposition for such alteration, repeal or amendment, must have been made at a previous meeting.

By-Laws.

SECTION 1. The stated meetings of this Society shall be held on the first Thursday in March, June and September, and on the Thursday next before the anniversary, in each year.

SECTION 2. The Secretary shall give at least two days' notice, through the public newspapers, of the time and place of all meetings, whether special or stated.

SECTION 3. At special meetings, the consent of two-thirds of the members present shall be necessary to constitute a vote.

SECTION 4. Fifteen members shall be necessary to constitute a quorum, except in cases where a larger number may be required by the Constitution or By-Laws, for any special act.

SECTION 5. At each meeting of the Society, immediately after the presiding officer shall have taken the chair, the minutes of the previous meeting shall be read by the Secretary, and passed upon by the Society; the next business in order shall be reports of officers and committees; then proposals of candidates.

SECTION 6. Any member having observations to make, or resolutions to propose, shall rise in his place and address the Chair; and all resolutions shall be submitted in writing and handed to the Secretary, and shall be by him entered on the minutes.

SECTION 7. In all cases of candidates for admission, the member proposing a candidate shall state, in writing under his own signature, in the "Book of Proposals," the name of the person proposed, his occupation and residence; also, the name of the ancestor who was a native or resident of the City or State of New York, prior to the year 1785, or who has been a member of this Society; and the degree of relation between the candidate and such ancestor; and also, all other qualifications required by the Constitution; and no name shall be considered in nomination, unless the proposal be submitted to a meeting of the Society in the manner required by this section.

SECTION 8. When a candidate is proposed for admission, any member present may state any facts within his knowledge respecting the qualifications of the candidate so proposed.

SECTION 9. The Stewards shall select the place of meeting for, and shall provide the anniversary dinner; shall stipulate the price, and issue tickets therefor; and, in conjunction with the President and Vice-Presidents, shall prepare the toasts, and sign and give invitation cards to the dinner.

SECTION 10. No topic connected with the party politics of the day shall ever be discussed at the meetings of this Society.
